

Township of Union Public Schools

Yolanda Koon
School Business Administrator/Board Secretary

August 2022

Dear Parent or Guardian:

We are pleased to inform you that Township of Union Public Schools will be participating in the National School Lunch Program for all students during the 22-23 academic school year.

This letter is to inform you that you will need to apply for a free or reduced meal status for the 2022-2023 school year.

It is important that all families reapply through our online application.

We **strongly** encourage you to complete the application for the 22-23 school year. The district has streamlined the meal application to make the process fully digital. **The application can be completed online by registering through the PaySchools Central Portal.** Please select district **Twp of Union BOE** from the district options when registering at: www.payschoolcentral.com

A hard copy of the application is available upon request at your child's school.

Students will be provided an eligible meal for the 22-23 school year. If your student does not qualify for FREE or REDUCED meals through the application process or direct certification, they **WILL BE CHARGED** full price.

This means students will be allowed to charge meals to their account. Please utilize PaySchools Central to add money to your student's account and set up the auto-reload feature. Any purchases for additional items relating to ala cart (i.e. ice cream bars, extra slice of pizza, etc.) will be charged based on the price list for this school year 2022-2023 (see price list listed on our new website which will be available on September 6th).

Please follow the guidelines outlined in PaySchools flier and How-To-Guides to fund your child's account. These documents will also be available on the District's new website which will be active on September 6, 2022.

Thank you for your continued cooperation.
